

GLOBAL ALUMNI CONVENTION 2023

L.D. College of Engineering

ENVISIONING FUTURE, CELEBRATING LEGACY

ENVISIONING FUTURE, CELEBRATING LEGACY

L.D. College of Engineering has entered into its 75th Year of existence in June 2022. As we come together to celebrate this legacy, Faculty, Staff, Students and Alumni are working towards building a future that we would like to envision for the college when it turns 100!

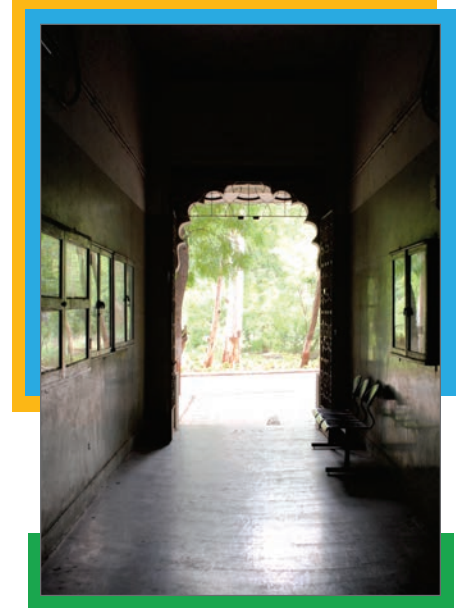

Centennial Vision of the college for the next 25 years is all about creating knowledge, expertise, and experience that we gathered over the past 75 years to form the basis for the future.

The Centennial Vision is for proliferating LDCE's commitment for future-readiness in education. LDCE is equipped to deal with modern world problems with innovative and industry relevant solutions. These engineers will be the best of problem solvers with adoption of green and sustainable technology.

It will help reimagine everything from our campus to our curriculum. It will help re-define our purpose, build the right kind of perception, reflect our legacy, leadership, efforts, and commitment as well as paint a larger picture for the next generation.

The Centennial **Vision Statement:** Four themes are designed to meet the needs of our students, faculty, staff and society at large.

- Academic Excellence In Current And Emerging Technologies
- Infrastructure And Support System For High-Quality Teaching, Learning And Innovation
- Campus With Global Standards Industry And Alumni Engagement

On the occasion of the 75th year, L.D. College of Engineering and LDCE Alumni Association are Celebrating Legacy with the alumni from across the globe.

The Purpose of the event is to make it a stepping stone for realizing the Centennial Vision

All alumni are invited to come together & support our alma matter for Envisioning Future & foster a sense of community to create legacy like never before
