Dear Sir/s,

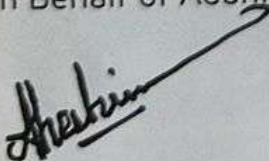

L.D. College of Engineering has been one of the oldest reputed engineering institute of Ahmedabad.

We are delighted to know that the esteemed alumni of this institute are planning to fulfil their commitment of upgrading and uplifting the L.D. College of Engineering to match global ranking. We have received a request from you to fund the study for strategic plan and global partnership.

Adani Foundation always supports quality education for the public at large. In this context we are happy to contribute a sum of Rs. 42 Lakhs for the development of L.D. College of Engineering through the LDCE alumni association.

We wish that you may publish this extension of financial support for the development of your institution in the circulars of your alumni as well other publication, so all your members may further get motivated. We will also be pleased to provide you with the necessary details regarding our logo and work area.

With Best Regards,  
On Behalf of Adani Foundation
